PETITION TO MAKE SPECIAL UNDER 37 C.F.R. § 1.102(d)

Mail Stop Patent Application  
P.O. Box 1450  
Alexandria, VA 22313-1450

This is a Petition to Make Special for the above-identified patent application for advancement of its examination under 37 C.F.R. § 1.102(d). A check in the amount of \$130.00 is enclosed to cover the petition fee required pursuant to 37 C.F.R. § 1.102(d). The basis and conditions for granting this application's special status for advance examination are found in M.P.E.P. § 708.02 XI entitled "Inventions for Countering Terrorism." In furtherance of this Petition to Make Special and fee as set forth in 37 C.F.R. § 1.17(I)(2), the applicants basis for Making Special follows:

**Invention relates to Counter-terrorism.** The invention provides or supplements tools useful for combating or countering terrorism. Specifically, the present invention provides, in embodiments, safety signage for vehicles used in combating or countering terrorism. The signage, utilizing EL lighting, is visible under conditions where other types of signage are not visible, such as in dusty atmosphere, at night, and in adverse weather conditions. The signage of the invention renders signs, such as stop signs or caution signs, positioned on vehicles such as police cars, fire trucks, ambulances, visible over great distances. The signage also illuminates specific indicia for combating or countering terrorism.

Accordingly, Applicants respectfully request that this Petition to Make Special be granted and the application undergo accelerated examination.

Respectfully submitted,

AARON GOLLE ET AL.

By their Representatives,
